

8. The balance of the lease amount plus local cess shall be paid in full in two equal khists in advance, on the dates mentioned below and sufficient security must be furnished for the payment of the same, failing to remit any of the khists on the due date the lessee shall forfeit the sum already credited and also his claims to the produce. The lease will also be cancelled and the right resold at the risk of the defaulting purchaser who will be liable to make good any loss that may be resulted to Government by such resale but will not participate in any profit.

1st khist—5th July 1917.

2nd khist—5th July 1918.

9. The lessee shall furnish a list of sub-contractors and mestris who may be appointed by him for the collection of the produce in each forest.

10. The lessee shall not interfere with the recognized rights of inamdars.

11. The lessee or his servants shall not injure any trees in any way on the plea of collecting the produce.

12. The lessee shall not collect any produce other than those he has purchased.

13. The lessee will be personally held responsible for the unauthorized acts of his agents or servants in the course of collection.

14. He shall remove all the produce from the limits of the State Forest before the end of June 1919.

15. The lessee shall be held responsible for the occurrence of any fire within the State Forest, if there is sufficient ground for the Forest Department to think that it has been caused by his negligence or by that of his employees.

16. The lessee shall deposit Rs. 50 as security for the due fulfilment of the conditions of his contract. In the event of breach of any of the above conditions, the money deposited as security shall be forfeited wholly or in part and the lease liable to be cancelled. If Rs. 50 is not deposited as security, the lessee shall give a personal security of Rs. 100.

17. The above contract shall not be deemed to prohibit Departmental workings in annual coupés nor can the lessee claim any damage therefor.

D. RAJA RAO,

District Forest Officer.

CAUVERY RESERVOIR WORKS.

Abstract Notification.

The attention of the public is invited to the publication dated 20th July 1916, on page 524, Part IV of the *Mysore Gazette*, wherein tenders for shed materials required for use on the Cauvery Reservoir Works for the period commencing from 1st September 1916 to 30th June 1917.

Notice is hereby given that sealed tenders will be received by the undersigned up to 5 P.M., on 7th August 1916, for the supply of the undermentioned articles, required for the use of the North and South Banks of the Cauvery Reservoir Works, from 15th August 1916 to 15th January 1917.

2. An approximate estimate of quantities required is given against each item in the list.

3. Tenders should be submitted on printed forms which may be obtained from the undersigned's office and accompanied by a list in the form given below, showing the rate at which the different items specified in the list will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 100 as earnest money, and be superscribed "Tender for the supply of Petrol" and in default of which, tenders will be rejected. The earnest money of the unsuccessful tenderers will be refunded.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the undersigned's office, and intimated to him in the usual course. No enquiries regarding the acceptance or rejection of a tender will receive attention.

7. The rate tendered for each item shall include costs of delivery free on rails at French Rocks and Paschimavahini Railway Stations, Madras and Southern Mahratta Railway.

8. Orders will be placed with the successful tenderer as the articles are required and the supply of the order in full must be completed within three weeks from date on which such a tender is placed, failing which, the unexecuted portion of the order will be cancelled and orders placed elsewhere and the earnest money deposited by the successful competitor forfeited as a penalty for the non-execution of the order in full.

9. The quantity and the name should be specified in quoting rates.

Names	Unit	Quantity
Petrol (shell)	Gallons ...	400

Notice is hereby given that sealed tenders will be received by the undersigned up to 5 p.m. on 10th August 1916, for the supply of undermentioned articles, required for the use of the North and South Banks of the Cauvery Reservoir Works, from 1st September 1916 to March 1917.

2. An approximate estimate of quantities required is given against each item in the list.
3. Tenders should be submitted on printed forms which may be obtained from the undersigned's office and accompanied by a list in the form given below, showing the rate at which the different items specified in the list will be supplied.
4. Each tender must be accompanied by a deposit of Rs. 400 as earnest money, and be superscribed "Tender for the supply of cement" and in default of which tenders will be rejected. The earnest money of the unsuccessful tenderers will be refunded.
5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.
6. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the undersigned's office, and intimated to him in the usual course. No enquiries regarding the acceptance or rejection of a tender will receive attention.
